PRESIDENT'S MESSAGE

Today we welcome one the National Soccer League's newest clubs, Northern Spirit. Mick Hickman's squad have a good chance of making the top six and will be tough opponents in tonight's encounter.

Over the past few weeks our team has had some very positive results, with some of our young boys proving to be of good quality. The exhibition match against Chilean side Colo Colo gave our youth players a chance to play against some of South America's future talents and experience the pressure of first team football.

These youngsters will be the become the base of South Melbourne's on field future and will in time, live up to the successes and uphold the reputation of past South Melbourne players. Speaking of past players, next Friday evening at the Crown Palladium, South Melbourne Soccer Club will hold it's greatest night in the clubs history.

The Team of the Century will be an important event in the clubs calendar and one that I hope all South Melbourne supporters will support. There will be commemorative Team of the Century paintings and strips on sale as well as the announcement of the team of the century and an array of entertainment.

This will be a night not to be missed and a chance to meet current and past heroes of the Club.

I look forward to seeing you all at the Team of the Century Dinner next Friday night.

CONGRATULATIONS
Vaughan on your 250th NSL Game and Petkovic on your 150th NSL Game

As he walks onto the field, 25 year old Michael Petkovic is not intimidated by anyone. He protects his domain at all costs and he will not let anything stand in the way of victory. For the entire 90 minutes he is totally focused, stopping goals left, right and centre. The looks of amazment on the supporters' faces sum up his season perfectly. Each time you think he has produced the best save possible, he follows it up with an even better one.

"I always loved playing this position. I love the game of soccer as a whole. My dad was a goalkeeper and he encouraged us boys to also play, but he never forced us. It's just something that I always wanted to do," explains Michael.

From the moment Michael put on the Petkovic gloves he was destined for success. It was the colourful Frank Arok who discovered him and invited him to trial at South Melbourne. The Lakers were not in need of a keeper at the time, as they had the services of Dean Anastasidis. However, once he arrived, he impressed coaches, committee members and supporters alike and automatically assumed a first team position.

"I was very lucky, Frank asked me to come down to South when I was nineteen, so he could have a look at me and I started playing with the club."

Last Sunday in the Melbourne derby at Knights Stadium Michael played his 150th South Melbourne and National Soccer League Match. Petkovic has played in many derby matches and was excited to play his 150th match in such a crucial derby match.

"Im thrilled to play 150 NSL games, all for South Melbourne. We have a young talented squad with a bright future and I look forward to playing another 150 games for the Club", says Petkovic.

Two years ago Michael followed his ambitions and relocated his family including his wife and young daughter to France where he was ready to sign up with first division team Strasbourg. Difficulties in obtaining a work permit prevented him from playing and saw him return home to Perth agitated and disillusioned.

"I was training every week with the team and I was waiting for my chance, but I couldn't play in any games. I had problems with my contract and my permit and in the end I became frustrated because nothing eventuated. When I came back I went home and just played a couple of games for my old club Dalmatina Spearwood, because I needed to play. I hadn't played for so long and it was hard. But I still learnt a lot when I went overseas and I think that has helped me."

True to his loyal character 'Petka' as he is known by his team-mates, decided to follow his heart and return to the club where he won two championships and established himself as one of the best keepers in the country.

"Even when I was in France, I was approached by a few National League clubs, but I was determined to see it through. If I came back, I wanted to play for South Melbourne. I always enjoyed playing there. I made a lot of good mates when I was there. I love
winning and I knew if I wanted to win, this was the club, where I could do that. There is not many players who would give up the opportunity to play at South," Michael comments with assurance.

He oozes confidence and thrives on competition. Ironically one of his biggest competitors is his older brother and Perth Glory keeper Jason. He not only followed in his footsteps, but exceeded everyone's expectations. This season, the duo are up for goalkeeper of the year and are also in line for Socceroo positions.

"It's not something that really bothers me. At the end of the game we sit down and have a drink no matter what happens. I'd say we're pretty close and o.k. I admit we do say that when we play against each other we hope for a nil all draw, but that's not the way it goes," he laughs.

Regardless of what the future holds for Petkovic, there is one thing for certain and that is, he has displayed enough courage during his time at South Melbourne, to go down in history books as one of the club's greatest ever players.

PROUDLY SUPPORTS SOUTH MELBOURNE SOCCER CLUB

EDDIES INSIGHT

Since the beginning of the New Year the squad has provided some entertaining and positive football for the South Melbourne fans. A draw against leaders Perth began a run of good results and we are eager to continue our constructive form tonight against the Spirit.

I would like to welcome Mick Hickman and his squad to Bob Jane Stadium. The Spirit is lingering around the top six and will prove a difficult assignment in tonight's encounter.

The squad has been interrupted in the first half of the season with many injuries predominately to senior players. Apart from minor niggling injuries, most of the squad is now fully fit and with an ounce of good luck a top six placing could be in sight.

Due to the Grand Prix our next three matches will all be interstate, which will definitely prove to be a testing part of the season for our squad. Thus far, I have been very proud of our squad and the young boys who are consistently working hard to prove their worth in the first eleven.

Your support is vital in tonight's clash as we look to make a charge up the NSL ladder.
